SPARTAN

In Memoriam

ALTON HART

Mr. Hart will always be remembered for his gay spirit. He was ready at all times with an amusing incident or a practical joke to make both students and teachers happier. Because of these qualities, his passing has left an empty spot in this school where he will be missed for a long time.

Foreword

Americans are the recipients of a heritage that is without precedent. This heritage is more than a political or social one. Our educational heritage is the most unique aspect.

As you enjoy the pages of this record of the 1966-67 school year, the advantages, opportunities, and pleasures which have been yours should be doubly impressed upon your consciousness and result in a stronger determination to be the kind of citizen and student a country and a school such as ours deserves.

Remember, too, that your actions and attitudes will make up part of the heritage of the generations to come so let each student strive to be his best.

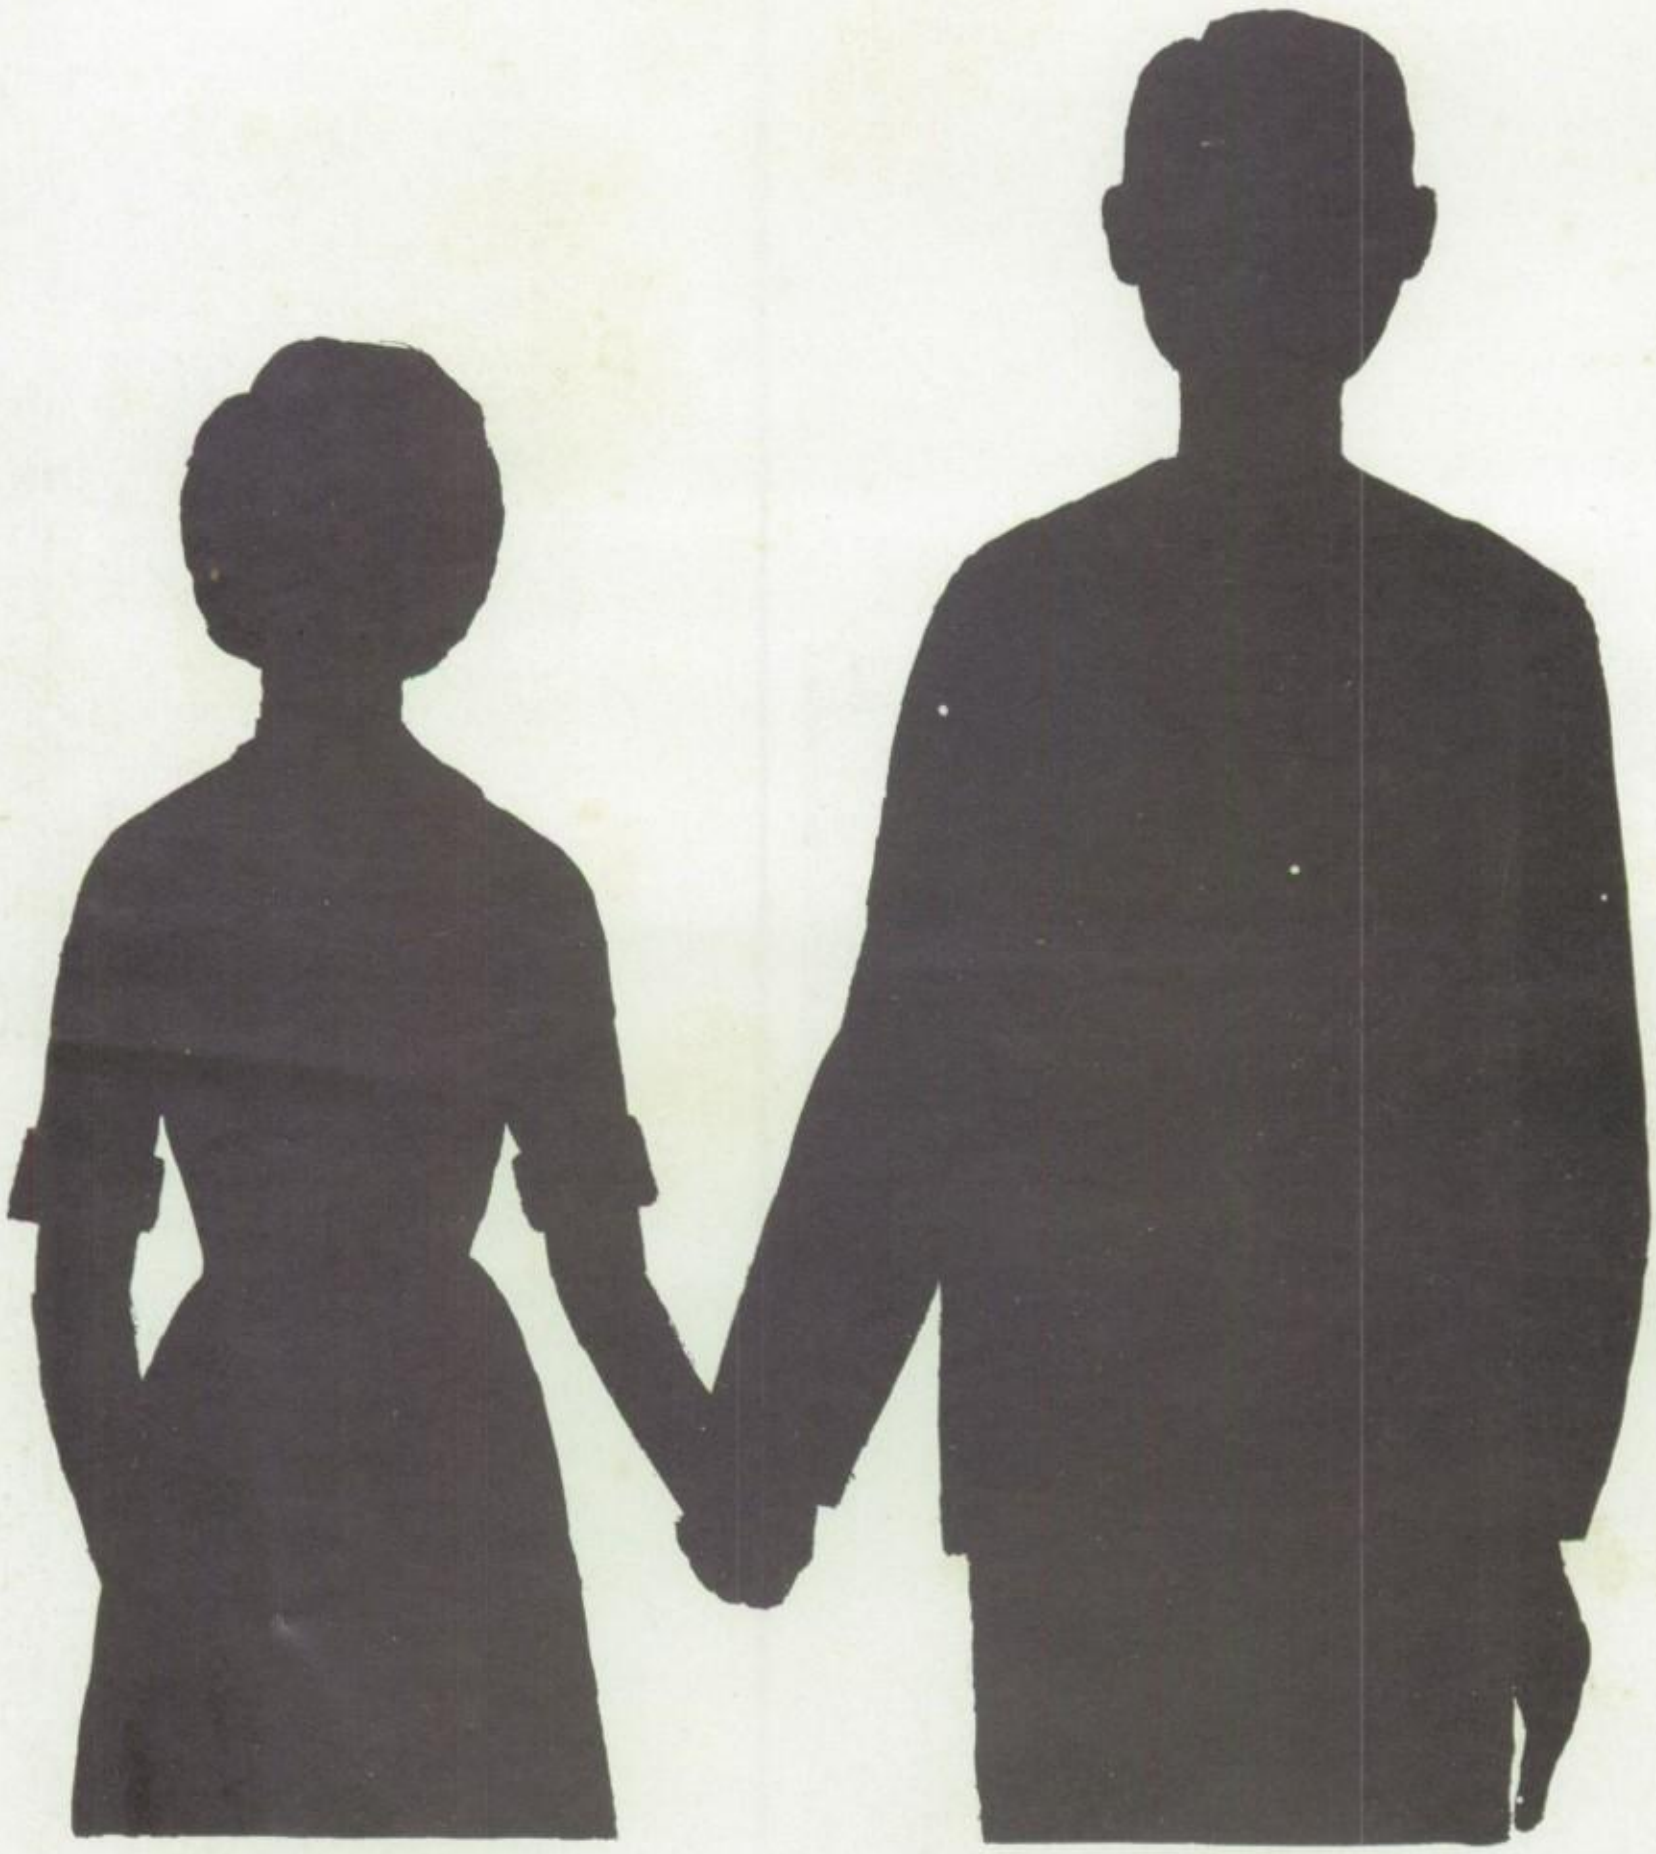
Dedication



"MOM . . . DAD"

It seems as though it were only a few short years ago when I used to look forward to a bedtime story and a chance to lick the cake bowl. But the years flew by and new things filled my desires . . . clothes, the use of the family car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared these little things with me. You laughed when I laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given me through these years.

Superintendent's Message

I am grateful for this opportunity to bring this message to our student body. I wish to express my appreciation to the faculty, Board of Education, Students, Parents, and all others for their excellent cooperation in making this a successful and pleasant school year.

May we continue to uphold the high standards of ethics, scholarship, service, leadership, and citizenship, thus making our contributions to the welfare of our school, community, and our country.
